February Courses Begin and Membership Grows

Greetings:

We have a full schedule of classes for February and my fondest hope is that the weather warms up sufficiently so that I can make it from the parking lot to the classroom without freezing.

This semester we added nineteen new members to bring our total membership to 133. Our current members are our greatest ambassadors for WALL so tell your friends about the Academy and suggest that next semester they give membership a try.

If you are interested in volunteering for one of our committees, please drop me a line. We have openings on the Curriculum Committee and the Membership Committee. We welcome your interest. This is an all volunteer organization and we need your support.
