MUNROE SCHOLARS PROGRAM FOR OUTSTANDING STUDENTS IN THE NATURAL SCIENCES AND MATHEMATICS SCHOLARSHIP
2012-2013 APPLICATION

OFFICE OF ADMISSION
4760 FORSYTH ROAD ● MACON, GEORGIA 31210-4462 ● WWW.WESLEYANCOLLEGE.EDU ● 800-447-6610

The Munroe Scholars Program is one of Wesleyan College's most prestigious scholarship programs. It provides two scholarships annually to academically superior first-year applicants for admission whose intended major is in the area of biology, chemistry, physics, environmental science, mathematics, computer information systems or dual-degree engineering. Each scholarship recipient receives a renewable award, which replaces any previously awarded institutional scholarships. In addition, she is eligible to apply for a $1,000 stipend during her junior and senior years to support research conducted during the summer or during the academic year. Wesleyan's academic and pre-professional programs in the natural sciences and mathematics are renowned for their excellence. This is due in large measure to generous support of the division of science and mathematics' faculty, students, and facilities by three Wesleyan alumnae, the Munroe sisters: Mary Gray Cobey, Margaret Thrower, and Julia Woodward.
Eligible candidates must possess the following minimum academic credentials: a 1300 SAT (Critical Reading and Math) or 29 ACT (Composite Score) and a 3.25 grade point average, or a 1200 SAT (Critical Reading and Math) or 27 ACT (Composite Score) and a 3.5 grade point average. In addition, candidates must demonstrate their interest in research and the ability to engage in research. They will be expected to interview with the Munroe Scholarship Selection Committee during Wesleyan's Scholarship Day, February 2012. *Participating students will also be considered for additional scholarships in the academic areas of math and science. **Students must submit this application, as well as all required admission materials, to the Office of Admission no later than January 29, 2012. This may be submitted via fax at 478.757.4030, e-mail to admission@wesleyancollege.edu or mailed to the address above.**
