

WESLEYAN

Dear Wesleyannes,

My name is Parrish Smotherman Jenkins, a Purple Knight of 2006, and I am proud to be working with the Alumnae Office through the Alumnae Association's Board of Managers. I invite you all to participate in our Alumnae E-Link Program as a way to connect with a second year student and communicate with her via email throughout the year.

Many of you may remember the proverbial "sophomore slump" – the feeling that the excitement of college has worn off and the fear that you'll never graduate. We want to make sure that our current Golden Hearts of 2015 feel connected to their future Alma Mater and have support from their Wesleyan sisters. These students need our friendship and encouragement!

Please complete the form below and return to me via email by **Monday, August 27th**, and I will pair you with a student and send you her contact information by mid-September. It's that simple! Thank you for giving your time to a Wesleyan student. Who knows what your participation will do to hearten our new Wesleyannes as they make important decisions about their futures!

Sincerely,
Parrish S. Jenkins, PK 2006
