Wesleyan Academy for Lifelong Learning

Happy New Year,

A new year brings with it the joy of celebrating 15 years of Wesleyan Academy for Lifelong Learning. What a remarkable journey it has been as WALL continues to grow, offering the Middle Georgia community an ever-expanding selection of engaging and educational classes. This progress would not be possible without the steadfast support of our community, our dedicated volunteers, and our exceptional instructors. We are proud of all we have built together, and we are honored to share this milestone with you—our valued members.

We begin the year with an exciting lineup of classes, including Hamlet in Performance, Exploring Ethics, Positive Psychology, and Won't You Be My Neighbor, AI? Friendly Lessons for Non-Techies. Your suggestions and feedback play a significant role in shaping our course offerings, and we are profoundly grateful for them. Please continue to share your ideas—as well as the names of potential instructors—as we plan future sessions.

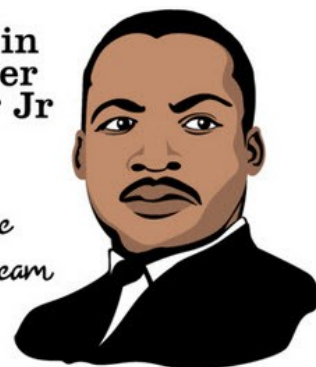

Plans are underway to celebrate WALL's 15th anniversary at our annual meeting in May, and we are also preparing an exciting slate of new classes for the year ahead. We hope you will join us in marking this special milestone. Thank you for being part of the WALL community and welcome to a bright new year of lifelong learning.

Sincerely,

Sandy Tharpe
President 2025-2026
Wesleyan Academy for Lifelong Learning,
