The recipient of the Anita Greenwald Memorial Scholarship was Elizabeth Strickland of Quincy, FL. Elizabeth is majoring in Art Management and Music and is a tutor in the Music department.

Alison Strout is a senior from Orange City, FL and is majoring in International Relations and minoring in Theater. Since arriving at Wesleyan, Alison has been involved in the Student Government Association.

Complete biographies of these young talented women are found elsewhere in the newsletter.

WALL members will have the opportunity to meet the scholarship recipients at the annual members meeting to be held on May 7th in the upper level of the chapel. The meeting will begin at 1 pm. There is parking adjacent to the chapel. Social distancing will be observed and masks will be required.

Registration for the Fall 2021 semester will be available for attendees at the meeting. Online registration starts on May 10. A list of courses and instructors as well as class dates and times can be found on page 3 . We will also hold election of officers for the 2021 – 2022 academic year at the meeting.
