

WESLEYAN

Wesleyan Academy for Lifelong Learning

President's Letter, December 2020

The Holiday season is upon us and this is a time for family. The courses for the Spring 2021 semester are listed elsewhere in this newsletter.

We believe that we've corrected problems with ZOOM by having the speaker use a microphone to eliminate the echo.

Some classes will be offered live on campus and on ZOOM and others will also provide an option to view the ZOOM presentation on campus for members with a poor internet connection. Consult the WALL website for more details as well as descriptions of the courses and biographies of the instructors.

I've noted that 50 of our members have memberships that expire in December. In order to keep WALL viable, I ask that you consider renewing your membership now that registration is open. Remember, a mask is required for on campus classes or when viewing a zoom presentation on campus.

I hope everyone stays well, and enjoy the upcoming holiday season.

Vince Coughlin
WALL President

Courses for the Spring 2021 semester.
