

**Hey Fabulous Ladies,**

I'll never forget the first night at Wesleyan, and we were all buzzing with excitement, talking about where we came from. My most fun memory was the sheer enthusiasm over the abundance of traffic lights in each of our towns which became an unexpected highlight of that day! Who would've thought traffic signals could spark such lively conversations and a lifetime of memories! Now fast forward, and would you believe it's been a whopping 35 years and many traffic lights later? Yep, you got that right! We made waves on the global stage, and now it's time to crank up the celebration for this epic milestone. I am excited to reconnect with all of you during the weekend of April 19-21. Let's turn this reunion into a Winning Stunt CUP kind of weekend, filled with laughter, memories, and maybe a few surprises.

**Important details of the weekend for you to remember-**

**Accommodations-** Homewood Suites on Bass Road, exit 172 from I-75. Please make your reservations now. Rooms are available Thurs -Sun using code 907. **We encourage you to stay for the entire weekend.** We have our **OWN Website**- <http://tinyurl.com/34dzes5k> Reunion brochure to be mailed closer to the date.

**Friday evening:** Meet President Meaghan Blight at the **President's Reception** in the Anderson Dining Hall and see all the campus renovations. Later, there is a **Concert** featuring some of our classmates and other Wesleyannes who are also celebrating their reunions. After this we have a **Class Party** scheduled at the Porter House located on campus where we will have access to a fire pit, (food and beverages & casual fun)

**Saturday:** **Class Meeting** where the **Class Photo** will be taken. This will be followed by lining up to process into the **Annual Meeting**. The **Luncheon** will follow with our class having assigned tables. Please don't miss this because we want to enjoy the company of other Wesleyannes as well as our own classmates. Afternoon activities are scheduled followed by a **Happy Hour** at the Equestrian Center. This is a great opportunity to see other improvements on campus. My personal favorite- Our **Saturday Class Party** after at the Wesleyan's Leadership Lab, downtown Macon on Cherry Street. This will be the perfect location to see how downtown is thriving and how Wesleyan is a part of this positive change.

**How can we give back To Wesleyan?** Our Class Gift will support the next generations of Wesleyannes by providing them with scholarship support. Our class is striving for a goal of \$50,000. We hope you will consider making your annual donation to support the Wesleyan Fund in addition to your gift for the Class of 1989 Scholarship campaign. For more information on how to make your reunion gift, please contact Sarah McCarthy at [smccarthy@wesleyancollege.edu](mailto:smccarthy@wesleyancollege.edu) or by calling (478) 757-5131.

Can't wait to see you, share stories, relive the good times, and make some new memories together. Get ready for an unforgettable time! Cheers to 35 years of awesomeness!
